Dear RESPONDENTS (example below crosses out my info so it can be customized)

~~American Home Mortgage Servicing Inc. (AHMSI)~~ has stated in their recent communication that ~~Deutsche Bank National Trust Company (DBNTC)~~ is "the owner" for a loan with account number ~~0030793988~~.

The statements ~~AHMSI~~ made are not true. No Loan between ~~DBNTC~~ and us or any other loan in connection to our property at ADDRESS HERE has ever been consummated within the appropriate legal definition of consummation.

UNDERSTAND THAT THIS NOTICE CONSTITUTES THE EXERCISE  
OF OUR RIGHT OF RECISSION UNDER 15 U.S. Code § 1635 AND  
THIS CLAIMED LOAN IS RESCINDED.

NOTICE TO AGENT IS NOTICE TO PRINCIPLE, AND  
NOTICE TO PRINCIPLE IS NOTICE TO ALL AGENTS

~~DBNTC~~'s claimed position as a 'Secured Party' to any loan claim is governed under *15 U.S. Code § 1635, 15 U.S. Code § 1640*.

Your claim that ~~DBNTC~~ is the "owner and Note holder" is a legal fiction and unsubstantiated by any evidence. The originating contract is rescinded by this notice and now the entities involved have an obligation to act appropriately.

Thank you for your attention.
