

ASSAULT OF THE NANOBOTS

What are they doing inside of you?

PCF World Mission

Introduction to this Exposé

This ebook is an educational reference to the nature, existence and the delivery systems of advanced technology in the form of nanobots which are affecting the human population of the entire globe. Yes, you!

This is all a part of the globalist genocidal agenda to reduce the global population and to have complete control over the survivors.

Section 1 provides the information you need to have to properly understand the nature and gravity of the situation. Most people will be victimized as they are totally unaware of any of this information. You are one of the lucky ones having access to this information with a path to counter its effects.

Section 2 provides you with a library of links to do your own research and get it directly from the source so you can make your own evaluation.

Section 3 provides you with the path to successfully destroy and/or remove the nanobot technology that is likely already inside of you.

This is life or death information. Please share it far and wide.

Section 1

What are nanobots and why is this important?

Warning: The information below is extensive and each of the topic bullet points may be researched independently. Let's start with the summary and then support it with extensive talking points and informational videos. This is compiled and edited with comments by our close friend - 'The Rainmaker'

Summary:

1. It looks to me like we are in their predicted 2025 future of war now. Our military and intelligence agencies against us. You study this research, and make up your own mind.
2. Just one tiny additional detail: Gene-edited greens hit USA very soon now...announced
3. Spraying in California (of this) I have video taken by my personal contacts/friends (whom I met with in person and family, each, confirmed the video)

NASA Advanced Strategic Warfare

- Are we in a war with our government and military intelligence working against we the people?

Editor - I wanted to review the leaked NASA Future Strategic Issues/ Future of Warfare Circa 2025 slides in the context of my research regarding nano robots, surveillance, C19 self assembly nanotechnology bioweapons and the broader stealth self assembly nanotechnology warfare agenda.

There are people who believe that the military will come and save them. However we have had ample evidence that the military and intelligence agencies actually are waging war against the population and that they are executing the transhumanist technocratic agenda. I discussed that Ray Kurzweil, Google Engineer, prominent technocrat, Author of ‘ The Singularity is Near’ has been a long time science advisor to the military regarding their future direction of research. Below are key points and topics you can research independently. The information is too voluminous to include here. But in the next section of this document you will have plenty of links to review.

1. Astonishing Darkfield Live Blood Footage Of Nano/ Microrobots In C19 Unvaccinated Blood And What did Ray Kurzweil Say About Nanorobots And the Singularity?
2. In fact, this NASA presentation reads just like his book. NASA itself has been implicated in geoengineering operations and I have had first hand confirmation of that by former NASA employees.
3. Who are the military organizations that participated in the NASA Future of warfare planning? First, we have the common groups we have heard about in relation to the development and deployment of the

mRNA C19 bioweapon technology - DARPA, CIA. FBI is also mentioned. Here are a few other acronyms that are present:

4. NRO (National Reconnaissance Office) launches assets into orbit from locations around the world using multiple space vehicles. Ensuring our intelligence collection is the best in the world. Our government, military, and civilian workforce is pushing the technological boundaries on what is possible.
5. Note - the NRO has been implicated by whistleblower Dan Morris, retired Air Force career Master Sergeant involved in extraterrestrial projects with a Top Secret Clearance 38 levels above top secret specifically in extraterrestrial operations. Technology recovered from numerous ET crash sites by the US military since Roswell and reverse engineered - include microelectronics, fiber optics, night vision, material sciences and antigravity propulsion systems, which the Nazis already had in WW2 - the Nazi scientists were imported via Operation Paperclip, most prominently Wernher Van Braun who went to NASA. This technology was then given to certain corporations who patented it and made billions of dollars. (Source: Unacknowledged - Steven Greer MD). I have been talking about this technology is not from here, and I just want to note this connection for people to contemplate.
6. CNO The Chief of Naval Operations Strategic Studies Group was established by Chief of Naval Operations Admiral Thomas B. Hayward in 1981. The Group was co-located at the United States

Naval War College in Newport, Rhode Island, and received its direction and made its reports only to the Chief of Naval Operations.

7. SBCCOM The United States Army Soldier and Biological Chemical Command is a support organization focused on the development, response to, and safe handling of chemical weapons.
8. ONI is a core element of the Navy's Information Warfare Community whose goal is to gain and hold a decisive information advantage over America's potential adversaries. ONI collects, analyzes and produces maritime intelligence and disseminates that intelligence rapidly to strategic, operational, and tactical decision makers to meet Navy, DoD, and national requirements.
9. NSAP Navy Science Assistance Program
10. DIA The Director of the Defense Intelligence Agency is a three-star military officer that rotates between Army, Navy, Air Force, and Marines approximately every three years and is the principal adviser to the Secretary of Defense and to the Chairman of the Joint Chiefs of Staff
11. TRADOC The United States Army Training and Doctrine Command is a major command of the United States Army headquartered at Fort Eustis, Virginia. It is charged with overseeing training of Army forces and the development of operational doctrine

12.What have all these agencies contributed as seeing the vision of future warfare in 2025? Do they like so many shadow government organizations use predictive programming or is it that THEY actually planned the current C19 bioweapon genocide and takeover of humanity via stealth nanotechnology weapons? I think this is a worthy question.

13.They knew about uncontrolled self replication of nanotechnology. You can look at my over 600 substack articles with documentation in live blood analysis. Here is a good synopsis:

14.Evidence Of Crimes Against Humanity - Darkfield Blood Microscopy

15.They also mention polymer growth in plants and spider silk. I have documented this extensively sprayed via geoengineering operations and dragline silk (strongest spider silk known) found as DNA contamination in C19 bioweapons.

16.Spider Silk Polymer Sprayed Via Geoengineering Operations From California - Darkfield Microscopy Analysis

18.Spider Silk Polyamide Polymers Applications In Self Assembly Nanotechnology, Biosensors, Vaccine

Delivery, Synthetic Biology, Brain Computer Interface

19. I have shown swarming nanobots in the blood, co-opted insects like mosquitoes have been released in the environment and in my interview with weapons expert Mark Steele, he discussed how the self assembly nanotechnology is wetware for military Lidar applications for tracking and attacking humans:

21. Breaking News Interview: Warfare Against Humanity - Conversation With Weapons Expert Mark Steele - Truth, Science And Spirit, Episode 16

22. I have also discussed in depth smart dust, body dust and how the medical biosensors implanted via “vaccine” bioweapon injections are the same thing. Also remember the Nano Quell operation that contaminated different beverages and water supply with dormant nanoweapons

23. Is Nano Domestic Quell Government Project Still Going On? How Long Have Our Bodies Been Loaded With Nano Particles In Food, Drinks And Water Supply? Are We Now Part Of The World Wide Sensor Network?

27. WBAN and AI surveillance is happening now. Note they say that robotic swarm technologies are endemic worldwide. In other words, the real “pandemic” is one of biosensing nanorobots for dual use purpose coupled with digitized surveillance and digital twin cloud upload.

28. Digital Twin Development Through The Healthcare System - Total Surveillance Via Smart Phones And WBAN?

30. 2007 Chemical Analysis of Morgellons Fibers Showed Polyethylene Nanotechnology. Pfizer C19 Bioweapon Polyethylene Glycol LNP's Create Filaments And Micro Chips. Are They Related And Part Of WBAN?

31. They are discussing that this warfare on the cheap is fingerprintless, meaning nobody can trace this nanotechnological warfare to them. Microwave attacks on not just targeted individuals but the entire population is the target. Certainly the C19

bioweapons are ethnic weapons, DNA specific, they are carcinogenic, involve prions, are fatal to disabling and they kill short term within minutes of getting the C19 bioweapon shot or slow kill longterm through accelerated aging. Nobody in the world is doubting that brain function of human beings has been attacked worldwide, the misleading term “brainfog” is ubiquitous now. It is intentional warfare on the populations cognitive function. Prion disease has been documented in relation to C19 bioweapons and I have explained how that is used for self assembly nanotechnology purposes. Of course the entire biosphere is attacked, just like they are discussing (antiflora/ fauna).

- 42.We have seen since the C19 rollout the long term fingerprintless depopulation campaign, we have seen food, vitamins contaminated as well as water supply. We have heard about Ebola/ Marburg virus within the shots that can be activated via 60 GHZ pulses. They give an example how they already tested biological weapons on humans for which no treatment is available.

46.We know that PSYOP's - planned psychological warfare via media lies coordinated by intelligence to threaten people into lockdowns and taking the C19 bioweapon has been effectively deployed on the world population. In fact they mention anti personnel bioweapons. They also mention bioviruses into biocomputers. This can be done via frequency insertion into the brain and was discussed by Dr Robert Duncan, former CIA and DARPA employee who developed the AI world control grid software to monitor humanities brainwaves:

As much as Satan tries to kill and destroy mankind, God gives us natural remedies from HIS creation and shows us the way.

“He that is in us is greater than he who is in the world.”

1 John 4:4

Section 3 - The Remedy

There is a simple natural remedy consisting of readily available natural ingredients which you can find easily.

We'd be happy to guide you. If you would like information on this potentially Life-Saving protocol we'd like you to have it.

If you are able, we'd like to do an exchange of complete details of this NanoBot healing technology for you, if you'd make a donation to PCF World Missions which is offering potentially life saving assistance to others who are needy.

Our suggested donation is \$250 which is roughly the equivalent of one doctor visit with a couple of prescriptions. We hope you find that reasonable.

If that is a barrier for you then we ask that you do whatever you can. Please don't abuse our goodwill on this because many people are counting on your support and the donations are critical lifesaving support.

Step 1 is to make your request and opt-in to an auto-responder which will automatically send you an email with complete details. You can do that at <https://solutionsare.gr8.com>

Step 2 You'll be sent complete instructions on obtaining the solution which will be emailed to you. In exchange for this potentially life saving

information, we ask a small donation to help PCF World Missions Foundation provide life saving support to those in need.

The 'Solution' is a simple and effective NanoBot counter-offensive incorporating a natural healing protocol which has been created by a microbiologist and doctor with 30 years experience in the field.

We'll also share an insightful and revealing 1 hour in-depth recorded conversation with this specialist in nanobot counter 'terrorism' which will be a real 'eye opener'!

You'll also be receiving additional information over time on this important topic not to mention access to the microbiologist if you feel the need.

Thank you for your attention and support. While this is a creepy subject, it's important that people know about it and that we can provide a solution.

Please share this information with everyone you know.

Blessings!

Mark
